Thank you so much! You are correct, I only sent the request for Sept. 1<sup>st</sup>. I'm so sorry and I do appreciate what you can do. I have to head to Banning's Landing, can you please call me on my cell at 310.70.8671.

I will make sure Robert know he has to be with the driver but I think he was familiar with that since the last time - especially with the new route, he will do that.

Cecilia

Cecilia,

I rechecked my email but did not see any request. However, I called our transportation company and I put in a request for a driver. She is trying to fill the shift.

Please note that I only instructed them to go to Banning's Landing to meet the guide. The driver will not have the route memorized. Robert will need to give the driver detailed instructions.

I will contact you as soon as I hear back from them.

Kind regards,

Lorena Parker
